

Rowan T. Mason

Associate

Rowan Mason is an associate in Howrey's Global Litigation Construction practice. Mr. Mason represents private owners, public entities and general contractors in all stages of litigation primarily involving delay, breach of contract and defect claims.

Prior to joining the firm, Mr. Mason interned at a large international construction company in both field construction and the in-house legal department. While in law school, Mr. Mason held the position of Comments and Casenote Editor for the *San Diego Law Review*.
